Ministry of Finance and Development Planning

Expression of Interest for meeting to Discuss National Risk Assessment of Virtual Assets in Lesotho

The Ministry of Finance and Development Planning wishes to invite all businesses and individuals interested or currently engaging and/or exposed to crypto assets activities to register with the ministry's database.

The Ministry is currently exploring areas of virtual assets that are applicable in Lesotho and to guide the country's decision on the regulatory framework and would therefore, like to compile data on the insights and experiences on crypto assets to assist in the analysis and conclusions.

Kindly register telephonically or by email on or before the 13th June 2025.
